PRESENTED BY

GOLD SPONSOR

SILVER SPONSORS

University of Nevada
School of Medicine

5-day conference, which attracts more than 1,000 mental health clinicians

The NPA Psychopharmacology Conference provides comprehensive state-of-the-art information on the psychopharmacological treatment of psychiatric disorders most commonly encountered in clinical practice.

This conference will address indications, contraindications, and management of adverse events. It includes a focus on complex and challenging conditions, atypical presentations and special populations through the life cycle. All topics are applicable to the practice of clinicians who prescribe psychotropic medications. Sessions and symposia are presented by internationally recognized faculty from the nation's leading institutions, who are authorities on various topics at the forefront of modern psychiatry.

Disclosure

It is the policy of NPA and UNSOM to comply with the ACCME standards for commercial support of CME. Planning Committee members and related staff disclosures must be on file annually with disclosures made available on program materials. Faculty participating in jointly sponsored programs by UNSOM are required to disclose to the program audience any real or apparent conflict of interest related to the content of their presentation. Faculty also are responsible for disclosing any discussion of off-label or investigational use of a product. In accordance with the ACCME requirements on disclosure, information about relationships of presenters with commercial interests, if any, will be included in materials distributed at the time of the conference.

Who should attend?

The 17th Annual Psychopharmacology Conference is designed to meet the continuing education needs of:

- Psychiatrists
- Primary Care Physicians
- Nurse Practitioners & Psychiatric Nurses
- Physician Assistants

Other healthcare professionals treating patients with mental health disorders are welcome to attend and should check with their state licensing and certification boards to determine if this conference meets their continuing education requirements.

Additional Activities in the Exhibit Hall

Enhance your conference experience in the Exhibit Hall. Here you will be able to meet with your colleagues, representatives from pharmaceutical companies, academic book publishers, and suppliers of other practice-related products and services to keep you up-to-date on the latest therapeutic, technological and practice management products and services.

In addition to networking breaks and meal times, a special Welcome Reception & Wine Tasting will be hosted for Conference attendees in the Exhibit Hall on Thursday, February 16 from 6:00 – 7:00 p.m.

Product Theatres, Satellite Symposia & Focus Groups

This year, the conference offers new opportunities for attendees to gather clinical information and practice pearls, as well as review relevant updates to psychopharmacology. Programs scheduled outside of the scientific session hours will include CME and non-CME activities. Look for highly interactive presentations about new products and research findings, as well as symposia focusing on disease-state diagnosis and management. Participate in “meet the expert” sessions during breakfast, lunch, and dinner symposia. Explore opportunities to participate in focus groups and dialogues with colleagues.

MORE DETAILS AND A SCHEDULE OF OFFERINGS WILL BE POSTED ONLINE AT WWW.NVPSYCHIATRY.ORG

Planning Committee

■ **B. Eliot Cole, Course Director** ■ Lesley Dickson, MD ■ Lisa Durette, MD
■ Phil Malinas, MD ■ Peter Mansky, MD ■ Alison Netski, MD ■ Charles Price, MD
■ Leon Ravin, MD ■ Mark Suhany, MD ■ Ole Theinhaus, MD

Accreditation

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the University of Nevada School of Medicine and Nevada Psychiatric Association. The University of Nevada School of Medicine is accredited by the ACCME to provide continuing medical education to physicians.

Designation

Physicians: The University of Nevada School of Medicine designates this live activity for a maximum of 39 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: The University of Nevada School of Medicine is a provider of continuing education credit activities for nurses. This program is approved for a maximum of 39.00 hours of nursing continuing education credit. Nurses residing outside the state of Nevada who participate in a University of Nevada School of Medicine sponsored activity should check with his/her licensure board to determine acceptability of Nevada nursing credits.

The American Nurses Credentialing Center (ANCC) recognizes and accepts Accreditation Council for Continuing Education (ACCME) credits to satisfy professional development continuing education hour requirements for nursing. Learn more at www.nursecredentialing.org

*Counts as continuing education ethics course

Nevada Psychiatric Association reserves the right to substitute faculty or to cancel or reschedule sessions due to unforeseen circumstances.

South Point Hotel Casino & Spa

Location

9777 Las Vegas Boulevard South
Las Vegas, NV 89183

Toll-Free Reservations

(866) 791-7626, or online at:
www.nvpsychiatry.org/hoteltravel

Rates

\$55 + tax Sunday – Thursday
\$89 + tax Friday – Saturday

To receive the reduced room rate, including 20% daily discount on the use of the fitness center, mention that you are attending the NPA 17th Annual Psychopharmacology Conference. Please note that reservations will be taken on a space-available basis after the cutoff date of January 23, 2012.

Located in the heart of the premiere southwest Las Vegas valley, just minutes away from the famous Las Vegas Strip, this beautiful modern hotel's many amenities include a 16-screen Century Theatre movie complex; 64-lane bowling center; eight casual and fine dining restaurants; a pool with hospitality areas; a spa, fitness center and salon; and a showroom with weekend headliners and live nightly entertainment. The casino features a large selection of table games and the latest slot and video poker machines. Each oversized guest room functions more like a mini-suite with state-of-the-art plasma screens and high-speed internet connections. This beautiful new property on the "South Strip" prohibits smoking on the convention level of the hotel, further enhancing the meeting experience for attendees.

Ground Transportation

Free Shuttle Service to Airport:

For your convenience, the South Point Hotel, Casino & Spa offers a scheduled shuttle to and from McCarran Airport free of charge. Reservations are required and can be made by calling 1-866-796-7111 (ask for Shuttle Reservations). Airport shuttle reservations are required to be made at least 24 hours prior to arrival. Seating is limited and only those with reservations will be allowed to board.

Shuttle Service to the Las Vegas Strip:

The South Point Hotel, Casino & Spa offers a scheduled shuttle to and from the Fashion Show Mall on the Las Vegas Strip. Tickets must be purchased from your driver on board the vehicle using either cash or a credit card. The cost per passenger is \$8 cash or \$9.25 with a credit card and is valid for unlimited rides by passenger on the date of purchase only. Space is limited, based on availability. Please call 702-889-4242 for more information. The South Point Shuttle is proudly presented by Ritz Transportation.

■ Parking is complimentary at South Point.
